

8 week Baby Priceless 18x28in poster 2019Dec28 .

Print, Cut gray edges off leaving white edges. Start at bottom right and Aline pages and spot tape together. Then spot tape to a 20in x 30in Foam-core board, which you can buy for \$1 at “Dollar Tree” or “Dollar General”. Center and tape to foam-core-board. Then cover the whole poster with Clear 2in packing tape. Start at bottom and overlap each tape row 1/2in. So it sheds water like roof shingles. I find it helpful to mark the top edge of each completed tape row at the right & left edges so I can see where to put the next row. I then put another poster on the other side. These posters printouts are free, but if you would want to send **a dollar ca\$h** in support of this work, my address is 1619 Bays Mtn. Rd. Knoxville, TN 37920-8125.

Please let me know how this poster works out for you.

Thanks, your brother in Christ, tony walker. Text or call me 865-242-7541
