

**Pill Aborted 7 Week Baby on fingers 2020Sep18 27 x 18 in. POSTER.**

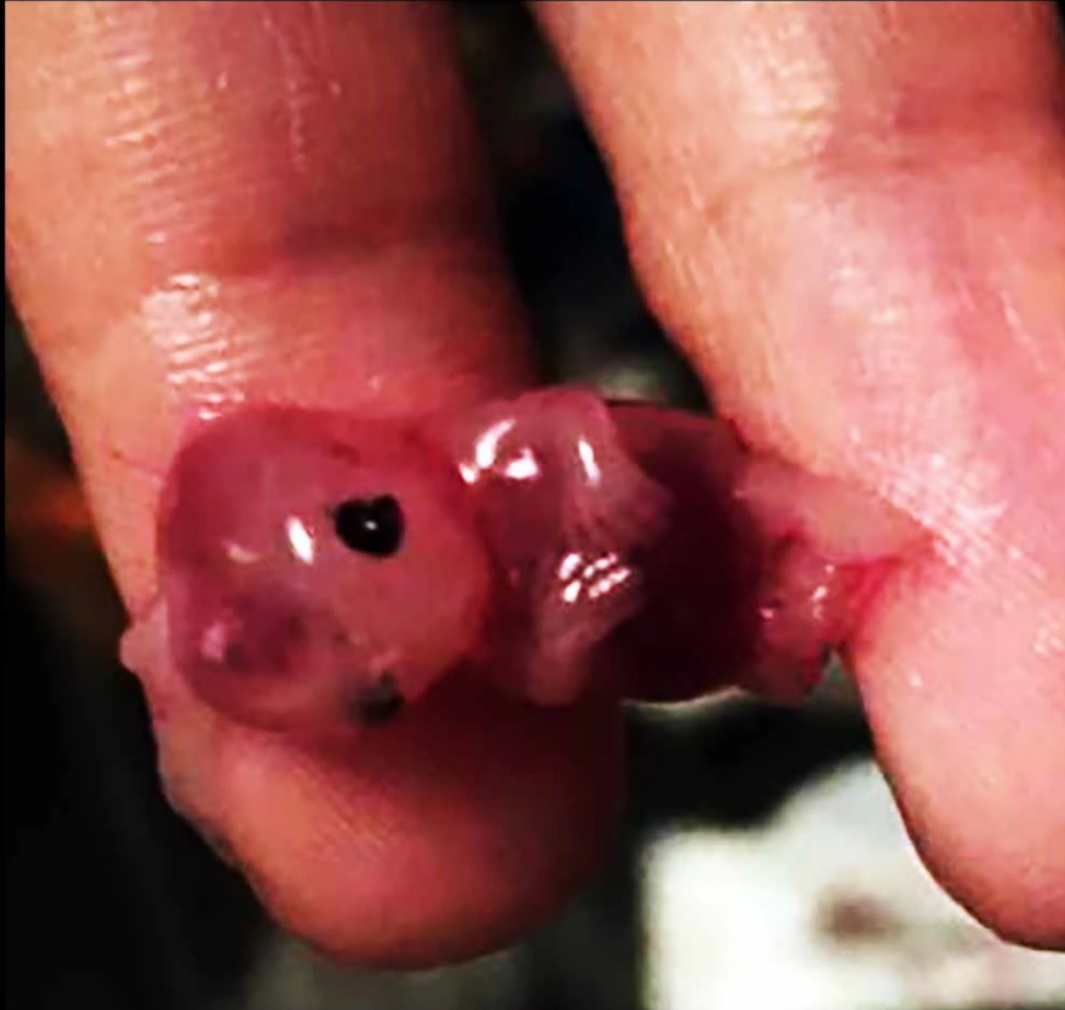

Print and then Cut gray edges off leaving white edges. Start at bottom right and work to left. Line up each page and spot tape together. Center the whole poster on a 20in x 30in foam-core-board, which you can buy for \$1 at “Dollar Tree” or “Dollar General”, then spot tape to the Foam-core-board, Then cover the whole sign with Clear 2in packing tape. Start at one side and overlap each tape row 1/2in. like roof shingles. I find it helpful to mark the top edge of each completed tape row at the right & left edges so I can see where to put the next row. I then put another poster on the other side.

These posters printouts are free, but if you would care to send **a dollar or two CASH** in support of this work I thank you in advance. My address is 1619 Bays Mountain Rd. Knoxville, TN 37920. Please let me know how this poster works out for you. Thanks, your brother in Christ, tony walker.
