

Poster "Pray to End Abortion Done unto the least of these" 28x18in 2015-3-23ymd

Print, Cut gray edges off leaving white edges. Start at bottom and work upward. Line up pages and spot tape together. Then spot tape to a 15in x 15in Foam-core board. You can buy a 20x30in foam core board for \$1 at "Dollar Tree" or "Dollar General". Leave 1in. of foam board exposed on sides, top, and bottom. Then cover the whole sign with Clear 2in packing tape. Start at bottom and overlap each tape row 1/2in. So it sheds water like roof shingles. I find it helpful to mark the top edge of each completed tape row at the right & left edges so I can see where to put the next row. I then put another poster on the other side.

A close-up photograph of a hand holding a pen, positioned over a document. A portion of the document is redacted with a black box. The word "FILE" is visible on the document, partially obscured by the redaction. The hand is holding the pen in a way that suggests it is about to write or has just finished writing.
